Professional Summary

BCA (Hons.) student and aspiring Python Developer with basic knowledge of Python, Data Science, Machine Learning and AI. Familiar with building academic projects using Python, JavaScript, CSS, and web technologies. Seeking opportunities to develop my skills in software development.

Technical Skills

Programming	Python, C, Java, SQL
Data & AI	Data Science, Machine Learning, Pandas, NumPy, Data Visualization
Libraries & Frameworks	Pandas, Numpy, Gradio
Web Technologies	HTML, CSS, JavaScrip
Tools	GitHub, Jupyter Notebook, VS Code, Power BI

Projects

Fake News Detection

Machine learning project that classifies news as real or fake using Natural Language Processing, and Logistic Regression. Built an interactive Gradio interface.

Technologies: Python, Scikit-learn, NLP, Logistic Regression, Gradio, Machine Learning, AI

AI Travel Planner

Generative AI application for students that creates personalized and budget-friendly travel itineraries based on destination, budget, dates, and user interests.

Technologies: Python, Generative AI, Hugging Face, Gradio, Machine Learning

E-Commerce Website

First web development project demonstrating an e-commerce website with product-related pages and frontend functionality.

Technologies: HTML, CSS, JavaScript, React, Node JS

Internship Experience

AI & Robotics Internship — Cyber Square(Hilite Business Park, Calicut)

Completed practical internship learning in Python, Data Science, Machine Learning, Artificial Intelligence, data analysis, and visualization. Practiced Python programming, NumPy, Pandas, Machine Learning, Power BI, Streamlit, and Jupyter Notebook.

Education

Bachelor of Computer Applications (Honours) — FYUGP BCA (Hons.)

University of Calicut

Ideal College for Advanced Studies, Kadakassery

Career Interests

Python Development • Data Science • Artificial Intelligence • Machine Learning • Software Development • Problem Solving

Additional Information

Languages: English, Malayalam

Interests: Programming, Data Science, Artificial Intelligence, Software Development
